Notes:

I understand that retention in a major in the Baker School of Public Policy and Public Affairs requires that I maintain a minimum 2.50 cumulative UT GPA. If I fall below this GPA for one (1) semester, I understand that I will be put on college probation; if I am still below this level at the end of the subsequent semester, I will be released from the Baker School. I also understand that I must earn a grade of C or better in the pre-major courses before I am able to declare my concentration.
